CruiseBase

CruiseBase is Travtech's leading online booking system, optimized and entirely dedicated to cruise booking. Using CruiseBase, travel agents and consumers can search, select and quickly book a cruise with all major cruiselines. CruiseBase is now integrated with TRAMS ClientBase Plus.

Using the CruiseBase Plus LiveConnect and ResCard features, ClientBase Plus seamlessly passes client information to the CruiseBase reservation session and upon completion imports the reservation details back into a ResCard for invoicing, printing itineraries and managing other administrative tasks.

“Our Technology was designed with the user in mind. CruiseBase provides travel agents with the latest technology to book cruises easily and rapidly and integrates all client and vendor data into the client’s own TRAMS ClientBase Plus system”

Gian Dilawari - President, TravTech
